

Katherina Von Bora Luther Food Pantry for the Abenaki

What: The Katherina Von Bora Luther Food Pantry for the Abenaki helps to keep the shelves of the Abenaki Food Pantry in Swanton filled during the holiday season of November and December.

This effort is named in honor of Martin Luther's wife, who took a wreck of a parsonage and made it home to many and who always fed the large number of students and professors her husband brought home for dinner to surprise her.

When: Twice annually during the holiday season prior to Thanksgiving and Christmas

Who: Kathe Bruno coordinates, members and friends from Ascension Lutheran Church participate

How: Non-perishable food items are contributed during the holiday season. Cans and boxes of food that are "complete meals" (including meat) are appreciated. Donations are brought to the church.
